Mr. Kevin Mayer

San Francisco, CA 94195-3901

Dear Mr. Mayer:

On behalf of the Santa Clara Valley Water District Board of Directors, thank you for participating in our community meeting in San Martin. It was a difficult, but necessary, meeting, and the information you shared about perchlorate in both your presentation and during the question and answer period was what the community earnestly wants to know.

Thank you, too, for continuing to work with the water district and the Central Coast Regional Water Quality Control Board as together we search for reasonable solutions for the residents of San Martin.

Sincerely,

Sig Sanchez  
Chair/Board of Directors
